

BRIDGEHILL®
WE SIMPLY BLOCK FIRE

DataSheet

FIRE BLANKET CABINET

The Bridgehill wheeled fire blanket cabinet is a vital part of any fire safety plan, providing instant, reliable access to fire blankets when every second counts. Combining secure storage with practical mobility, this cabinet ensures your fire blanket is always protected yet ready for deployment in an emergency.

Its durable construction, backed by a lifetime warranty, and smart design make it ideal for environments where fire risks are elevated. Easy to transport and quick to access, the fire cabinet promotes fast response, helping to reduce fire hazards and safeguard people, property, and operations
