GROUP

DataSheet

The home of innovation and elite performing PFAS-free fire extinguishers in the UK, CommanderEDGE boasts a number of reliable and extensively tested fire extinguishers. The range is fully Kitemarked by BSI and is the choice of the professional with its mix of performance, quality and value.

WET CHEMICAL FIRE EXTINGUISHER

A wet chemical fire extinguisher is specifically designed for use on Class F fires (cooking oils and fats), making it the ideal solution for the demands of commercial kitchen and canteen environments. This type of extinguisher works by creating a foam-like layer on the burning oil or fat, cooling the fire and suffocating the flames.

The new CommanderEDGE 3ltr Wet Chemical Fire Extinguisher features a PFAS free extinguishing agent and is an exceptional powerhouse for its size, boasting an 8A 75F fire rating. It's also now Kitemarked to BS EN3!

Technical Specification	FX-WCH-003-DCF
Capacity	3ltr
Fire Rating	8A 75F
Extinguishing Medium	Wet Chemical
Working Pressure	12 bar @ 20°C
Temperature Range	0°C to 60°C
Cylinder Material	Steel
Pressuring Gas	Nitrogen
