

Orthomat® Office

The anti-fatigue mat for office workers

- Improves overall posture and wellbeing when standing in static positions.
- Provides just the right balance between cushioning and foot support for users of sit/standing desks.
- Helps to delay the onset of pain and tiredness otherwise experienced from standing on hard or firm floor surfaces.
- Textured underside keeps this anti-fatigue mat in place.
- Gentle bevelled edges to reduce trip hazards, while creating a neat 'anti-curl' finish that sits flush to the floor.
- Highly durable, can withstand a wide range of footwear (excluding thin heels such as stilettos)
- Handy size for ease of handling making lifting and moving an effortless task.
- Fits into most office workstations.
- Ideal for lighter industrial use where the user doesn't turn regularly in a static position.
